If you already applied for a 2018 membership, please accept our thanks and disregard this reminder. Be assured that you are listed as one of our members.

2018 Membership

Centre Region Residents, pay no out-of-pocket expenses for emergency ambulance service with your Centre LifeLink Membership

www.centrelifelink.com

In an emergency, the last thing you want to worry about is the bill. As a Centre LifeLink member, you can be assured that you and your family will receive quality emergency medical services without creating extra financial hardship.

What is it?

Covers unlimited local EMERGENCY ambulance service by Centre LifeLink EMS when we are the 911 dispatched service.

Any available insurance is billed if you use the service. Whatever your insurance pays us will be payment in full for emergency ambulance service covered under your membership. Most insurance plans do not cover the full cost of ambulance service; patients are often left with copays and deductibles. **As a member, you will have no out of pocket expense for emergency ambulance service**, even if your insurance only pays a portion of the bill or denies the claim!

Your membership does not cover inter-facility or non-emergency transportation, including our van service.

Cost:

Family- \$70/Year

Covers all persons residing in household.

Individual- \$50/Year

2018 Membership Year:

January 1, 2018- December 31, 2018

Membership Forms:

Additional membership forms may be downloaded and printed from Centre LifeLink's website:

www.centrelifelink.com

How much money will my membership save me?

Your membership saves you an average of \$300 per call for Basic Life Support and more than \$500 for Advanced Life Support paramedic services. These are the average fees non-members pay.

Why should I become a member?

In addition to saving you money on **emergency** medical services, your membership helps keep our vital services available in our community 24/7/365. Without your membership support, a service of this quality would not be possible.

Do I have a choice of ambulance service?

No, Centre LifeLink is the primary designated ambulance provider (as determined by pre-established 911 dispatch protocols) for **emergencies** in the Borough of State College, College Township, Harris Township, Ferguson Township, Patton Township, and provides mutual aid to surrounding areas of Centre and Huntingdon Counties.

Does my membership include discounts on any other Centre LifeLink services?

Yes, your membership includes a 20% discount on any CPR/AED certification course or any Standard First Aid Class.

How is Centre LifeLink EMS Funded?

Centre LifeLink EMS is a non-profit organization funded by annual memberships, donations, and billable ambulance services. **Centre LifeLink EMS does NOT receive any tax support for our operations.**

• When you dial 911, 24-hours a day, a Centre LifeLink ambulance responds, on average, within 30 seconds.

• Centre LifeLink operates out of 3 stations with 7 total ambulances, to allow us access to the largest area in the shortest amount of time.

• Centre LifeLink EMS is one of only six ambulance services in PA accredited by the Commission on Accreditation of Ambulance Services (CAAS).

• Paramedics are in contact with ER physicians and are capable of administering intravenous medication and other life-saving procedures en route to the emergency department.

• Centre LifeLink EMS is NOT supported by municipal tax dollars. We are a non-profit organization that relies, in part, on your tax-deductible donations.

• Centre LifeLink responded to 6,405 ambulance calls in 2016.

• Our staff consists of over 100 providers, both volunteer and career members.

EMERGENCY CALLS 911

Membership Information: (814) 237-8163

Monday-Friday 8:00 am- 3:00 pm
